

TRY DIVING FOR STUDENTS

YEARS 7 - 12 | DISCOVER SCUBA DIVING AT AQWA

EXCURSION PACKAGE:

Students can try diving for the first time in aqwa's purpose-built diving aquarium; filled with seawater, lined with sand and surrounded by baby sharks, rays and shimmering schooling fish. No boring chlorinated pools here!

Students will be introduced to SCUBA equipment, breathing techniques, diving safety and more by one of AQWA's PADI qualified Dive Instructors.

Plus AQWA entry is included so there's plenty of time to enjoy the 45+ exhibits!

SUITABLE FOR:

No prior SCUBA diving experience needed

Students aged 12+ who are capable swimmers with no asthma, epilepsy or heart conditions can participate.

Program is ideal for marine and maritime studies or incorporated in an outdoor-ed program.

IN-WATER SKILLS COVERED:

Entry and exit techniques

Ear equalisation

Equipment preparation, fitting and removing.

Dive signals

Mask Defogging

Descending and ascending techniques
